

OPPORTUNITY FOR WEB PROGRAMMER

Rapidly growing multimedia design company with a diverse range of clients requires an enthusiastic web programmer.

You will have strong communications skills to work on a variety of web projects, including CMS development, database applications and e-commerce.

The right candidate will have experience using some or all of these: HTML, PHP, Java script, Ruby-on-Rails and more....

We are looking for someone who's passionate about code and not graphic design!

Please send resume and covering letter to enquiry@evolvecreative.com.au, with links to your online portfolio or examples of online work.
